**ILLEGAL DOWNLOADING**

Inappropriate for All Ages

Do you know what your kids are doing online? Downloading a copyrighted movie without permission of its owner or without using an authorized service is illegal. You could face substantial financial penalties, while also leaving your computer vulnerable to destructive computer viruses, identity theft or spyware.

Talk with your kids about illegal movie downloading. Help them understand the serious consequences of illegal downloading and the risks it poses. To learn more, visit [respectcopyrights.org](http://respectcopyrights.org).
